Relevant Exposure

MP Muralidharan brings with him 23 years of exposure in the Industrial sector covering thermal power, tobacco, paper, hotels, Natural gas distribution, Airport and EPC Power. He has in the past worked with DIAL, BG Group, ITC and NTPC. He is passionate about safety and aims to develop a sustainable and interdependent level of safety culture at the organizational level.

Personality

He comes across as a people oriented person who can and has influenced others by way of an assertive approach. He is very passionate about safety. He carries strong belief in values such as Team work, Trust, commitment, growth. His detailed orientation and experiments with new ideas has helped to keep employees engaged in safety and he wants to inculcate this as behaviour in the organization that he works with.

Outlook on ADD Group

He sees Vedanta Group as a company which is growth oriented globally. He very strongly sees an opportunity to learn from industrial sectors which he has not been exposed to. The Global Head of Safety role is very substantial for him. The role will give him the exposure to drive safety changes at the group level. He is highly recommended by senior professionals in the industry. He is keen to engage with you to discuss this in person and looks forward to your meeting with him.
